

HHMS PTO DRIVE TO BENEFIT THE LEUKEMIA & LYMPHOMA SOCIETY

Do you have pennies, dimes and quarters just lying around your house needing a new home?

Bring them to school during lunch this THURSDAY, March 15th and donate them to a great cause.

HHMS PTO will be gathering spare coins for the Leukemia and Lymphoma Society. Your change can bring about change for the 1,290,773 people who are living with, or in remission from cancers of the blood. LLS money goes to fund research for these diseases as well as advocacy and patient support. And it's helping. With leukemia, the overall survival rate has increased from just 14 percent in the 1960s to 62.7 percent in 2012.

We can make a difference!

Bring your extra change on Thursday so more lives can be saved!
